

The "Orange County Lawmen" Police Football Team is looking for a few good football players.

The Orange County Lawmen Football Team plays full contact football games to raise money for charity. The Lawmen give scholarships to graduating high school athletes to assist them with their college career. The scholarship is named the "Bob Henry" Memorial Scholarship, in memory of NBPD's own Bob Henry.

The 2006 season will start in just a couple of months. The plans for this season are to travel to either Orlando or New Jersey and to host either FDNY or Philadelphia. Of course we will play our usual local games against LAPD, LAFD and So. Cal. Knights.

The practices are held on Saturday mornings at 0800 hours (to accommodate the players working graveyard shift). Non-mandatory practices for skill players will start in late November with full practice beginning in late January.

Playing on the Orange County Lawmen Football Team is a fun and rewarding experience. You have the opportunity to meet and work with law enforcement personnel from all over Orange County. You also get to meet and befriend cops and firefighters from all over the country.

In past years, NBPD had up to 15 officers on the Lawmen team. We would like to see NBPD well represented again both on the field and in administrative positions running the team.

Anybody interested in playing or assisting with the off field events, please contact Rick Bradley (949) 644-3762.
