NOTE TO NEW MEMBERS:

As part of your membership in the NBPEA, you will receive an nbpea.org e-mail address and web logon for the Members Only section of the NBPEA website. In order to access these benefits, please complete the following steps.

1. Set up your nbpea.org account

If you have not already done so, e-mail us at administrator@nbpea.org from your NBPD e-mail account. In the subject, write "New Member," and in the body of the e-mail, please list your preferred e-mail password. For security reasons, we have set up certain guidelines for passwords:

- Passwords must be at least six (6) characters long.
- Passwords must be alphanumeric—they must contain at least one letter and one number.

We will set up your user name as your first initial and last name, just like most NBPD addresses. For example, John Doe would have a logon of "jdoe" and an e-mail address of "jdoe@nbpea.org."

2. Log in to your nbpea.org e-mail account

Once the administrator can confirm your new member status with the Treasurer, your nbpea.org e-mail account and your Member Section logon will be set up with your new password. Once everything is ready, the administrator will send a message to your NBPD e-mail account.

To access your e-mail, login in at www.nbpea.org/squirrelmail. Type in your e-mail address and new password, then click the Login button.

3. Check out the Members Only Section

Go to www.nbpea.org, and click on the "Members Only" link. Input your username and password, and start taking advantage of all the information available to NBPEA Members.

If you have any questions or problems, please send an e-mail to administrator@nbpea.org.
